

SOCES PTSA in partnership with Gifted/College

presents

THE SMART TRACK COLLEGE FUNDING PARENT WORKSHOP!

***An Important Event for Parents of 9th, 10th, 11th
and 12th Grade College Bound Students***

Wednesday, February 22, 2017 - 6:30pm

Glenn Hall

Do you have any of these questions???

- Can we improve our eligibility for merit or need-based financial aid?
- Are some schools more generous than others and how can we tell how much they are likely to give us based on our unique situation?
- What are the best ways to pay our share?
- What can we do right now to make college more affordable later?
- How do we evaluate a financial aid package or award letter?

Attend the Smart Track Parent Workshop to learn more about the financial aid & college funding process and how to get the most out of this free resource.

***Smart Track is a free, web-based software program
now available to SOCES families.***

Some families opt to spend thousands of dollars on private college financial planners but for most of us, that money is better spent on actual college costs!
