GiFT
Guarantee the Future Today

The **SOCES** Booster Club is a non-profit 501(c)(3) organization formed and represented by the parents, teachers, administration and friends of the school. The primary focus of this organization is to raise funds to finance programs, activities and the needs of the school that aren't paid through the school's budget or the Los Angeles Unified School District. Our fundraising activities support and subsidize **SOCES** teachers, students and administration to improve and enrich the quality of education for **EVERY** student at **SOCES** - an extraordinary magnet school with diversity and scholastic excellence.
