Wind Ensemble – <https://soceswindensemble.shutterfly.com/>

Sign Up Instructions: After you have created a Shutterfly account go to your classroom's site and request to be a member. You will receive a "Thanks for joining a Share site." email from Shutterfly. All correspondence emails from the share site subject will begin with [SOCES Your Class] so you can easily identify correspondence regarding your classroom.

Shutterfly Communication Preferences: The Classroom sites are already set up to NEVER email you so you will not receive promotional emails regarding the share site. You WILL receive emails from Mr. Johnsen or other site members, and reminders of upcoming events and Volunteer opportunities. Shutterfly has separate settings to change their communication preferences. Please sign in and click on the orange down arrow next to Hi, YOUR NAME; select Account Info. Under Account Settings click on Change communication preferences option; uncheck both options and click save.
