

# GRADING PERIODS & EMPOWERING SUCCESS

## GRADING PERIODS

- There are 4 grading periods every semester:

1

### 5 Week

Fall Ends 9/12/25  
Spring Ends 2/13/26

2

### 10 Week

Fall Ends 10/10/25  
Spring Ends 3/20/26

3

### 15 Week

Fall ~ 11/7/25  
Spring Ends 5/1/2026

4

### 20 Week

Fall Ends 12/19/25  
Spring Ends 6/10/26

\*Students should follow teacher deadlines for each grading period, as **some teachers may require assignments to be submitted in advance of the grading period** deadline so there is time to grade the assignment.

## REPORT CARD LINGO

### Progress and Midterm Reports

- Progress Reports:** These reports show a student's progress after Weeks 5 & 15 of each semester.
- Midterm Mark Report:** This report shows a student's progress through Week 10 of each semester.
- Progress Reports & Midterm Mark Reports help students (and parents/guardians) understand how students are currently doing in each class.
- Progress Reports and Midterm Mark Reports do NOT reflect the final grade for the class, but they may affect a student's eligibility to participate on sports teams in High School (if GPA is less than 2.0).

### Final Report Card

- Report Card:** The final report card that you get at the end of each semester (Week 20), that reflects the grade for the entire semester for the class.
- These grades are included on transcripts (and for High School students, these are the grades sent to colleges).

## SCHOOLGY

- You can check Schoology between grading periods to see your child's daily progress (and to see if there is any missing work).
- You can sign up to receive weekly Schoology email summaries to see your child's progress.

SOCES offers tutoring by SOCES Teachers After School on Mondays, Wednesdays, and Thursdays from 3:50-4:50PM

## TUTORING

\*AP Calculus, Calculus,  
AP Statistics, Algebra 2 (Room 300)

\*Geometry (Room 507)

\*Algebra and Middle School Math (Room 600)

\*4th and 5<sup>th</sup> Grade (Library)

LAUSD offers online, on-demand tutoring for ALL students through tutor.com  
(see [full instructions](#) on how to access online tutoring)

4th- 8th grade students can also sign up for literacy or math support by visiting  
[www.stepuptutoring.org](http://www.stepuptutoring.org).

**Questions about tutoring?** Contact Ms. Hall ([kimberly.hall@lausd.net](mailto:kimberly.hall@lausd.net))

## SUPPORTING YOUR STUDENT

### If you have concerns about a particular class:

- \*Contact or schedule a conference with the teacher (during Magnet Night or another time).
- \*Take advantage of tutoring offered by SOCES and LAUSD.

### If you have general concerns about your student's academic performance or work habits:

\*You (or your student) can reach out to the student's Academic Counselor. Academic counselors are assigned by grade:

**9th and 11th Grade:** Ms. Weingarten ([alw1339@lausd.net](mailto:alw1339@lausd.net))

**10th and 12th Grade:** Ms. Sutton, ([sms1794@lausd.net](mailto:sms1794@lausd.net))

**Middle School:** Ms. Cordes ([jennifer.cordes@lausd.net](mailto:jennifer.cordes@lausd.net))

**Elementary:** Ms. Rodriguez ([sharon.rodriguez@lausd.net](mailto:sharon.rodriguez@lausd.net))
